

This week's news

Mrs Gooderham organised a fantastic European Languages celebration this week. Students from Folkestone Girls Grammar came and led language based activities with all the children. These included salsa dancing, making 'jus de citron' and creating collage flags. The Wrens and Jays did these activities with their buddies. It was a great way to explore languages and culture. Big thanks to Mrs Gooderham, our languages leader!

Year 4 at the Beaney Museum

Puffins had a fantastic morning at The Beaney museum in Canterbury on Wednesday. They took part in various workshops linked to their history topic on Ancient Egypt.

Birthdays

Happy Birthday to...
