

BARHAM CHURCH OF ENGLAND PRIMARY SCHOOL

Supporting everyone to be kind, confident and curious

FOREST SCHOOL

Our first group of Puffins started their forest school sessions this week. They loved exploring the school forest site - and even found a couple of newts and millipedes. The Puffins learned about fire (and made one to toast some marshmallows), they then used the fire to light sparklers. They used tools to create super woven structures - with the colour of autumn and a bit of sparkle. Some also chose to create super cute conker and acorn people!

BIRTHDAYS

Ellis (Jays)
Theo (Wrens)

Monday 5th January 2026 Back to School

There is no such thing as bad weather...

Just bad clothing

Our children have thoroughly enjoyed the recent changes to lunchtimes brought about by our Opal play initiative. By adjusting some lunch arrangements, we have successfully increased the time children have for play, allowing them to explore and enjoy a variety of activities.

During lunchtimes, our children are digging, climbing, hanging, drawing, singing and dancing—full of energy and curiosity!

To enhance our outdoor play environment further, we are currently collecting 'small world' loose parts. If you have any suitable items, please kindly drop them in the collection box located outside the main entrance.

Please also ensure your child comes to school equipped with the essentials for outdoor play—a waterproof coat and wellies. Outdoor play is vital for your child's health and wellbeing, helping them to stay active, curious, and connected with nature.

Thank you for supporting our commitment to enriching your child's play experiences!
