Candle Prayer

Dear God,

Thank you for being the light of the world.

May the light shine brightly in your world.

Thank you for being the light of our lives.

May the light shine brightly in our lives.

Today we are going to think about who our neighbours are and watch a film clip about one of the parables Jesus told. You know this story well – The Good Samaritan (Luke 10.29-37)

Reflection

Jesus said, 'Love your neighbour as yourself,' but who are your neighbours? We tend to think of neighbours as the people who live next door to us, but they could be the people we meet, or the people we sit next to, or even the people on our usual journeys to school. Do you remember your first day at school? No doubt some of you will remember how nervous and unsure you felt.

If children are made to feel welcome, friendships are soon formed and school becomes an enjoyable place. When we all come back to school, we will be thinking about welcoming the new wrens that will join us in September. Think about how you can welcome them.

Prayer

Dear God,
Let us try to be thoughtful in whatever we do.
Teach us to be helpful and supportive to others.
Help us to help others,
not for the reward it brings
but because we know we are doing the right thing.

Amen
