

THE BARHAM FUN TIMES!

Written by Annabelle, Bobbi-Rose, Eleanor, Eva and Sofia

ANNOUNCEMENTS

This week's announcements involve lots of animals. On Monday, Wrens said hello to duck eggs, which have now hatched into adorable little ducklings!

Throughout the rest of the school, we have had butterflies and caterpillars, and even Miss Watson's rabbits visited the school on Friday.

On that note, we also have to say goodbye to Miss Masterson and Miss Watson, the two student teachers who were in Owls and Robins. We wish them lots of luck in the future!

Not only did rabbits visit on Friday, we also had a mini orchestra come to our school. They taught us about their instruments, the history of music and played some amazing music for us.

Finally, as most of you know, we had our old PE shed removed. Well we are really lucky that a new shed is being built for us, to put all the PE equipment in. The Newsletter team hope you are happy with it, and we can't wait for it to be finished.

OUTSIDE OF SCHOOL CELEBRATION

More to celebrate outside of school, this week...

Henry (Puffins) and all the other Beavers, had a sponsored run to raise money for the charity Porchlight. They raised over £600!

Clara (Robins) wrote a letter to Mrs Higgins, but not just any letter. It was all written in Italian! Mrs Higgins was very impressed.

Layla (Puffins) told us how she'd been learning to use water colour paints. She showed us her amazing picture.

Eva (Hawks) has been doing really well in Sea Cadets and recently received her Stem badge.

Well done everyone!

PICTURE OF THE WEEK!

Here are some of the children from Hawks, enjoying hanging out at lunchtime.

ANIMALS AROUND...

Outside of Hawk's classroom (near the Art room) is a little bird box. We've spotted a family of Blue Tits nesting. See if you can spot it. Be quiet though!

HOUSEPOINT LEADERBOARD

1ST - CHAUCER
2ND - MARLOWE
3RD - ROPER
4TH - BECKETT
